

## DEZURIK-GULF COAST AUTOMATION & DISTRIBUTION CENTER

The DeZURIK-Gulf Coast Automation & Distribution Center (ADC) is committed to providing our customers with unparalleled service. The ADC maintains a large inventory of valves, actuators and accessories that allows assemble-to-order availability and timely shipment.

### Keeping Your Process Running Smoothly

The DeZURIK-Gulf Coast ADC is dedicated to providing you with the manual, isolation and control valves that you need to keep your process running smoothly and efficiently. The ADC stocks valves in sizes up to 24" and can provide complete valve assemblies to meet your customer's exact specifications.

### Isolation and Control Valves in Stock for Quick Shipment Include

V-Port Ball Valves (VPB)

High Performance Butterfly Valves (BHP)

Extended Service Knife Gate Valves (KGC-ES)

Bi-Directional Knife Gate Valves (KGC-BD)

Additional items include a wide variety of actuators including DeZURIK Stainless Steel Spring Diaphragm Actuators, Pneumatic Knife Gate Valve Cylinder Actuators and Manual Handwheel Actuators. Accessories in stock include positioners, air filter regulators, limit switches, solenoid valves and more.

## Quality Valve Assembly & Testing

All valves shipped from the service center are hydrostatic and seat leakage tested. Actuators, limit switches, solenoid valves, positioners, tubing, and accessories are mounted, calibrated, and tested on the valve before each assembly ships.

## Proven Experience, Timely Delivery

The Gulf-Coast ADC is a state-of-the-art facility conveniently located to ship products quickly to anywhere in USA. It has the facilities, trained personnel, and engineering resources to supply all your valve and automation needs. Contact us today!
